OTHER DISTRICT BUSINESS

The Board was given a Draft copy of the Master Plan of Trails for study at a previous meeting.

5th ACTION: Director Boeck made a motion to approve Resolution 101404-1, to adopt the Draft District Master Plan of Trails. Director Levy seconded. A ROLL CALL VOTE was taken: Director Hunt AYE, Director Boeck AYE, Director Levy AYE.

The Board discussed and considered adoption of the new Facilities Use Agreement, which was not complete and thus was tabled to the next meeting. There was a brief discussion of the fee structure for facilities use, and the need to apply it uniformly.

Director Boeck attended a meeting with The Irvine Company to discuss trails and properties in the canyons that the SMRPD is trying to obtain. Director Boeck said things were still moving along. He is also working with the County, the Homeowners Association of Orange Park Acres, the City of Irvine, and with HB&P's Jeff Dickman on plans for trails. An interview on this topic was done for the community television station in Irvine. The annual Creek Week event will be held at Hart Park in Orange. A decision on whether the District wishes to participate again will be added to the next Agenda.

Director Boeck's investigation of SMRPD funds at the county resulted in the discovery of \$54,429.58 that appears to be developer in-lieu fees held in a multi-agency pool by the county. Arrangements are being made to transfer these monies into a District reserve fund, earmarked for capital improvements only, and available immediately on action by the Board.

Directors Hunt and Levy thanked Director Boeck for the work he's been doing for the District.

Director Levy shared a few ideas about the SMRPD sign. Director Hunt will try to get a picture of the proposed sign and show it to the water district. It was considered spending a little more money to get a better looking sign.
