OTHER DISTRICT BUSINESS

The Board discussed the Proposed Budget for FY2010-2011 and asked for public comment but none were offered. Director Hunt asked the Board to let him know they spotted a need for any corrections.

5th ACTION: Director Evans made a motion to accept the Proposed Budget for FY2010-2011. Director Peterson seconded. Unanimously approved.

The Board discussed the need to approve a modification to the contract with Shute Mihaly Weinberger LLP to extend the cost cap by an additional \$5000.

6th ACTION: Director Levy moved to approve the \$5000 fee cap increase to cover final pleadings before the California 4th District Court of Appeal. Director Evans seconded. Unanimously approved.

7th ACTION: Director Evans made a motion to add a discussion about Director Hunt's investigation into appointments to the SMRPD Board. Director Peterson seconded. Unanimously approved.

Director Hunt reported that due to the lack of timely filings for the open directors seats, state law requires that the O.C. Board of Supervisors make appointments to fill them. Following a discussion with him earlier this month, a recent phone call from Mike Johnson at Supervisor Campbell's office informed that a letter would be sent to SMRPD by the Registrar of Voters in October asking for the Board's recommendations. Due to the short amount of time to act on this and the lack of community response, District Counsel suggested consideration of reappointing the incumbents which would allow a thorough search for interested replacement candidates from the community. The matter will be addressed at the next regular Board Meeting in October.

DIRECTORS' COMMENTS

Director Evans reported that the new Rec Brochure is almost complete. A family picnic at Madame Modjeska's house is being planned. A home farming class is being offered. Discussed the gopher problems at Silverado Park that are now being reduced by natural predators. There is now a need for a Dance Class instructor.

Director Levy met with John Harris to discuss cleanup locations, maps and community outreach on signage for the Santiago Canyon Road's new Adopt-A-Roadway program. The roadway manual is almost complete. A meeting with Supervisor Campbell will be scheduled.

Director Peterson said he would like to purchase a shed to store Country Fair booths etc. A drinking fountain is needed at the Silverado Community Center.

Dennis McHale presented an award to Directors Hunt and Levy and Scott Breeden from the Tree Huggers Ball folks for their work in cleaning programs for local roadsides. Mr. McHale also gave the Board a copy of *The Transition Handbook* by Rob Hopkins that is guide for achieving energy and other self-sufficiencies for individuals and communities.

The Meeting was adjourned AT 9:12 PM. The next regular meeting of the Board of Directors will be at the Silverado Community Center, 27641 Silverado Canyon Road at 7:00PM on Tuesday October 26, 2010.
