PUBLIC AND BOARD INPUT ON NON-AGENDIZED ITEMS

The Board accepted SMRPD Logo submissions. Names of submitters are kept secret in order to keep the selection fair. An Ad Hoc Committee will meet and sort through the Logos and make sure they meet criteria requirements. The process should be complete within a month, which will give everyone time to turn theirs in.

Mike Colgan requested an accounting of fees paid with the SMRPD lawsuit, and wanted to know if the District is being held harmless of any appeals.

Director Shepston said a summary is being prepared and a contract is being worked on. The information will probably be discussed in a Closed Session meeting, and the results will be announced later.

There was a request for SMRPD’s monthly financial statements. At which they were told to go online to the District’s website where all of that information can be found.

Ed Amador is looking into getting the Federal Shield Endangered Species Act rules and regulations. This is Arroyo Toad protection information, that Mr. Amador will give to the Board. Director Shepston is glad to accept this, saying that there is a lot of misinformation about this and this will help everyone to understand it better.

Rich Gomez from the previous Open Space Committee brought a packet of information that the committee had been working on pertaining to the Adopt a Highway project. Director Shepston asked Mr. Gomez to rejoin the Ad Hoc Committee at which Mr. Gomez agreed. Open Space meetings will begin again soon.
