Subject: Attorney General's opinion

Dear Mr. Bates,

As you can imagine, our office would be swamped if public officials from throughout California could request a legal opinion from us on any subject at any time. Accordingly, our charge to issue opinions is limited by Government Code section 12519 which authorizes us to issue opinions to state officers, state agencies, and county counsel. We do not issue opinions to public employees or special districts.

I am sorry that I can't assist you in this matter. Unfortunately, I do not know of any other government office to whom I can refer you. Ultimately, this may be an issue for your attorney or special counsel that you might employ.

Ted

Message:

I am the president of the Silverado Modjeska Recreation and Park District. A newly elected board member is alleging that another board member is violating the AB1234 Ethics provisions. Our legal counsel and 4 of the 5 board members disagree. Our legal counsel

most of America, is polarized on the issue and this is a very disruptive for us. FPPC referred us to you because the newspaper we printed for an event was not mailed and therefore does not come under the Mass mailing act according to them. Please advise how i may forward the material to get an opinion from you. My next Board meeting is the March 26th. Or could you direct me to the correct department/person?

Thank you very much. Gregory Bates, President SMRPD
