

Whadda Good Dog

A Positive Approach to Good Behavior

BASIC HOME MANNERS

We took our 6 mo old German Shepard for puppy manners training and he gets complements all the time for how well he behaves & listens to us. We learned a ton of new "tricks" and games that he loves to play. The training is positive reinforcement and learning to reinforce the new, good behavior. Remus has learned so much already and we have signed him up for the next level of puppy training. Another great aspect is we learned just as much as Remus did.

- KATHRYN L.

After just one class we are very impressed with the results for Zorro! Can't wait for our next class.

- MICHELLE T.

We have decided to keep our dog! He was very bad! Now we see a light at the end of the tunnel!

- KYLE P.

I am very thankful for all the things you taught me! Simon's life is better.
