PUBLIC COMMENTS: A person wishing to comment on an Agenda item should wait for the chairperson to request comments and then unmute his or her phone, ask to make a comment, and wait for the chairperson to recognize him/her. You have three (3) minutes to complete those comments, unless a longer time is granted. No speaker may allot his or her time to others.

Comments on Agenda items: Comments concerning matters on the Agenda will be heard at the time the matter is considered.

Please note that if you are addressing the Board on items not on the Agenda, the Brown Act does not allow Board discussion of such items because they are not on the Agenda and thus were not noticed publicly. Therefore, the Board may only do the following: refer the matter to staff, ask for additional information or request a report back, or give a very limited factual response.  - iii. Home School request
 - 1. Looks like there is a new homeschool program starting up and they are looking for event space. I don’t know how the funding etc is handled but I was curious if smrpd would be open to host.
- Original email request from Corrie Cisneros talks about a homeschool program starting up. The images describe something like the Maker’s Market. Unclear what is being proposed and who it is for. Does the homeschool want to (a) put on an event like the marker’s market for their students to sell items and they are looking for a space, or (b) are they interested in hosting an event open to everyone. If (b) is correct, it would probably make sense to connect them with Mallory Watson, who organized the Maker’s Markets. If (a), propose we should treat this like a regular event and ask them to fill out an application. We could then decide to waive fees or not.
